FROM THE DESK OF THE MAYOR

Many of you know that my young grandson Christian, age 5, passed away on July 15, 2013. I would like to extend my sincere thanks and appreciation for the outpouring of support from many friends and neighbors here in the Village as well as the support of my co-workers. Christian was a beautiful boy who brought joy to all of our lives. On behalf of my son Matt and daughter-in-law Amber, they also wish to thank everyone who offered so much support during these hard days. We know that Christian is in a better place and is at peace.

Help Babies By Participating In The Eliminate 5K

For \$1.80, you can save a life. The Eliminate Project, led by Kiwanis International and UNICEF, aims to eliminate Maternal and Neonatal Tetanus (MNT) from the world by 2015. MNT is an extremely painful and deadly disease that infects babies and their mothers during childbirth. When infected with MNT, newborns suffer from convulsions and become sensitive to light and touch, preventing even their mothers from holding them. MNT kills a baby every nine minutes.

However, MNT is highly preventable, and it only takes three doses of a 60-cent immunization to protect mothers, who then pass on their immunity to their babies. This fall, the Mariemont community has a chance to help save lives in the 28 countries where MNT still exists.

On Sunday, September 15, Mariemont High School Key Club is hosting the Eliminate 5k, with all proceeds benefitting the Eliminate Project. Walkers, runners, and people of all ages are welcome to register for the race, which will begin at 9:00 a.m. at Mariemont High School and will follow a scenic route through historic Mariemont. After the race, participants are invited to a post-race party that will feature delicious brunch food and fun activities. Participants can register online and find more information about the 5k at www.eliminate5k.weebly.com. Simply by registering, you alone can provide vaccinations for 11 mothers and their babies.

For more information about the Eliminate Project, please visit www.theeliminateproject.org.

The Neighborhood Watch

The Fairfax Fall Festival is just around the corner. It will be held Friday [September 6th](#) and Saturday [September 7th](#). The Neighborhood Watch will have the Bake Sale Booth again this year. Last year our booth was a great success due to the donations we received from the bakers and non-bakers in the village. We are in need of donations of cookies, brownies, cupcakes, etc. Since the festival is before our September meeting please call Annie @ 271-2861 if you can help us.

Due to the success of the Yellow Ribbon program in the spring, the Neighborhood Watch is once again teaming up with the Fairfax Civic Association to collect [Christmas](#) cards for the troops. This is a great project for families to work on in the heat of summer. Making [Christmas](#) cards or using last year's leftovers and playing [Christmas](#) music just might help you feel cooler. We will have a booth at the Festival where you can drop off your cards. If you don't have the time to make cards or you don't have leftovers from last [Christmas](#) we will have cards at the booth for you to sign. Let's let the troops know how much we appreciate their service to our great country!! We will also accept donations of needed items at the booth. Please check the inserted flyer.

Be sure to stop by the bake sale and Yellow Ribbon booths to say Hi. The festival is a great way of building a stronger community.

Our next meeting of the Neighborhood Watch will be [September 19th](#) @ 7pm in the Recreation Center. Everyone is welcomed to attend the meetings. Everyone who is a resident of Fairfax, no matter what your age is, is a member of the Neighborhood Watch. We would like everyone's input. The more informed we are the stronger and safer our village is. Looking forward to seeing everyone at the Festival and the meeting.

Working together we can make Fairfax an even better place to live, work, shop and play.
