Each year millions of visits to emergency rooms are due to dog bites, and often times children are the most likely to get bitten... frequently by their own or a neighbor's dog. Kids and their pets are set up for success and prevent bites through this educational program. It covers the basics of how to play with a dog the right way, how to show proper respect, and how to tell when they want to play or be left alone. Registration is required, and attendees should NOT bring their dogs – one will be present for demonstration purposes.

## CONGRATULATIONS CHIEF BRONSON

Jeff Bronson was appointed the new Chief of Police effective June 13, 2016. Jeff grew up in Fairfax and attended Fairfax Elementary and graduated from Mariemont High School in 1983. Jeff served in the U.S. Army for 7 years with the 1st 75th Ranger Battalion and the Long Range Surveillance Detachment with the 25th Infantry Division and retired as a Staff Sergeant. He began his career with the Fairfax police department as a part-time officer after graduating the Police Academy in 1991. He became a full time officer in 1994. In his time away from his Police duties, he owns a horse farm where he rides and shows Appaloosa and Bashkir Curly horses.

## INTRODUCING OFFICER SEAN GROGAN

Officer Grogan was appointed as a new police officer at the May 16, 2016 council meeting. Sean is from Cincinnati, Ohio and attended Moeller High School and the University of Cincinnati where he obtained a degree in political science. **Twig/branch pick up is available on Mondays.** Please remember that piles of yard waste or similar debris must be bundled in 4 foot lengths and bound with twine or placed in a container for easy pick-up. MAINTENANCE DEPARTMENT NEWS  
Joe Huskey, Maintenance Supervisor 527-6508

Please remember that mosquito season is upon us. To avoid mosquito-borne illnesses, please check that you do not have any standing water outside your home. Please note that the new recycling bins from Rumpke can hold water if the lid is not properly closed, so please drain out any standing water as soon as you notice it.

Elm trees throughout the Village and surrounding areas are dying out due to disease and insect infestation. If you have an elm tree on your property, please watch for this. In short term, or the next year or two, you could very well need to arrange to have the tree removed to avoid a life/safety issue with falling large branches.

If you have brush to remove from your property, the Maintenance Department is still taking requests for a dump truck to be placed on the street in front of your property so that you can load up the back with brush. The Maintenance Department will haul it away at no charge. Please contact Joe Huskey at the number above to make arrangements.
